

Heritage House Preschool

Seeing, Thinking, Wondering

17 January 2018

Dear Heritage House Preschool Supporter

HERITAGE HOUSE PRESCHOOL has partnered with Litres for Education for an exciting venture in fundraising

Your support for this new project will be appreciated.

'Litres for Education' www.litresforeducation.co.za is an initiative that was started by two garage owners in Durban and is now spreading around the country. It is similar to the 'My School' card, but works with certain petrol stations.

This is how it works:

Heritage House Preschool has signed up with 'Litres for Education' programme. When any of our supporters fill up at one of the nominated petrol stations we will receive 10c per litre for the fuel purchased. A list of the local participating petrol stations, at this stage, is available below or check the website.

All supporters will need to have a sticker on the **TOP RIGHT of their car windscreen** (this is herewith attached). The sticker has a **code on it that must be noted down by the petrol attendant** at the nominated petrol station. Please remind the Petrol attendant to do so. Each month these transactions are collated and payment made to us at the rate of 10c per litre of fuel purchased. It is as simple as that.

Please **encourage your family and friends to participate** as well. We will have a stock of stickers available for family and friends, please ask at the school office for more as needed. As more petrol stations begin to participate in this programme so we will let you know about them in regular correspondence or on our website www.heritagehousepreschool.com or facebook.

Your support as always is much appreciated.

Yours in Education

Karen and Staff
